which corresponds to the home page of the official website of Hotel Buenos Aires di Via Clitunno, 9 - 00198 Roma.

This informative note is provided only for the aforementioned website and not for other websites eventually accessed by the user through links.

THE “CONTROLLER”

Following access to this website, data pertaining to persons that are identified or identifiable may be processed. The “Data Controller” of the personal data collected following a visit to our website or any other data used for providing our services is GE.A.RO. Srl, Via Clitunno, 9 - 00198 Rome.

PLACE WHERE DATA IS PROCESSED

Data processing pertaining to the web services of this website (physically hosted by Webhosting di Diego Gualdoni, Via Chiavellati, 5 – 06034 Foligno (PG) (“www.webhosting.it”)) is carried out at the aforementioned headquarters and said data is processed only by the technical personnel in charge of processing of the data processing office, or by eventual persons in charge of processing who are entrusted to process occasional maintenance operations.

The personal data obtained from the users who submit hotel reservation requests or through informative material (informative notes, newsletters, registration, etc) is used only to carry out the services or assistance requested and is not transmitted to third parties, except in the following possible cases:

- Business partners of GE.A.RO. Srl, including the booking services provider Verticalbooking (<https://www.verticalbooking.com>) to whom GE.A.RO. Srl transmits the data exclusively in order to avoid on-line reservations;
- Persons, companies or professional offices who lend assistance and consulting services to GE.A.RO. Srl, Hotel Buenos Aires concerning accounting, administrative, legal, financial and tax matters;
- Subjects who are authorized to have access;
- to the data by law or through requests by the authorities;

The credit card data used for booking will be automatically unavailable at the end of the stay.

CATEGORIES OF PROCESSED DATA

Navigational data

The information systems and software procedures relied upon to operate this web site acquire personal data as part of their standard functioning; the transmission of such data is an inherent feature of Internet communication protocols.

Such information is not collected in order to relate it to identified data subjects, however it might allow user identification per se after being processed and matched with data held by third parties.

This data category includes IP addresses and/or the domain names of the computers used by any user connecting with this web site, the URI (Uniform Resource Identifier) addresses of the requested resources, the time of such requests, the method used for submitting a given request to the server, returned file size, a numerical code relating to server response status (successfully performed, error, etc.), and other parameters related to the user's operating system and computer environment.

These data are only used to extract anonymous statistical information on website use as well as to check its functioning; they are erased immediately after being processed. The data might be used to establish liability in

case computer crimes are committed against the website; except for this circumstance, any data on web contacts is currently retained for no longer than seven days.

Data voluntarily provided by the user

Sending e-mail messages to the addresses mentioned on this website, which is done on the basis of a freely chosen, explicit, and voluntary option, entails acquisition of the sender's address, which is necessary in order to reply to any request, as well as of such additional personal data as is contained in the message(s).

Data will be retained only for registration request to send the newsletters or special offers and will not be disclosed to anyone.

The personal information regarding the individual who visited the website is not collected or used. The visitors remain anonymous. The only exception to this rule concerns the information for personal identification needed to fulfill the contractual obligations of reservations on behalf of the user.

Reservations

In the event of reservations made through the website, the user must provide his name, address, telephone number and information regarding the payment manners and credit card used. GE.A.RO. Srl will use said information only to process the reservations and to send specific information, which is relevant to the confirmation of said, such as a receipt, the reservation code and the conditions.

The information provided will not be used for marketing purposes and will not be sold, transmitted, given by contract or sent to third parties in any way, with the exception of our provider of on-line reservation services, Vertical Booking only for online reservations purposes.

In any event, the administrator of the website guarantees the use of scrupulous procedures in order to protect the navigational data and the use of particular precautions to protect the data pertaining to the credit card, which is provided during on-line reservations.

PERIOD FOR DATA RETENTION - CRITERIA USED

According to the provisions set forth in art. 5 par. 1 lett. e) of the Regulation (EU) 2016/679, collected personal data shall be kept in a form which permits identification of data subjects for a period not exceeding the purposes for which the personal data were collected and subsequently processed.

Data retention periods depend on the purposes of the processing:

- purposes related to technical navigation data for the correct functioning of the website: retention only for the related session, after which the data are deleted;
- purpose of reply to info request/services supply request (up to 12 months for contact requests ; 10 years for administrative / accounting / financial documentation relating to the provision of a service);
- data collection for staff recruitment (up to 24 months);
- newsletter, marketing or promotional communications in general (until withdrawal of consent);
